GRADING SYSTEM

Grade Point Average Calculation

Beginning with grade 10, all subjects, whether passed or failed, are included in the computation of the average cumulative grade on a scale of 0-20. The final exams are taken during the 11th and the 12th grade (students have to take three exams, being Portuguese one of them)

The exams are included in the final average grade for the subject the exam was taken.

secretaria.alunos@esmsarmento.pt

Every Martins Sarmento student will be creative, critical, committed and conscious.

MISSION

Martins Sarmento Secondary School is committed to provide quality and equity in education and ensure that each student will graduate as a responsible, fulfilled and competent person, with the knowledge and skills required to succeed as contributing citizens in the 21st century.

THE SCHOOL AND THE COMMUNITY

Escola Secundária Martins Sarmento is a comprehensive public high school located in Guimarães, in the northern region of Portugal. It enrolls approximately 1400 students in grades 10-12.

The school is celebrating its 133th anniversary and the present facilities were rebuilt in 2012 and can accommodate up to 1700 students. The school is accredited by the Portuguese Government.
